NDT TECHNICIANS WANTED

Get your career started in a multi-disciplined fashion. Obtain Level II certification within the first year in multiple methods.

Starting wages: \$18/hour plus benefits.

After 1 year and certifications: \$20/hour plus benefits.

Phoenix is a great place to live and work.

Long term career opportunities available in Arizona. Phoenix National Laboratories is a full service, independent NDT firm servicing clients in the Phoenix area. Consider the warm sunny climate of Arizona, combined with a booming market and demand for Non-destructive testing services. We provide the following services to the Power Generation, Construction, Aerospace, Mining and Manufacturing Industries:

- Ultrasonic Examination - Contact and Immersion
- Radiography Examination - Gamma and X-ray
- Magnetic Particle Examination
- Eddy Current Examination
- Leak and Pressure Testing
- Visual Examinations
- Welding Inspections
- Welder Certifications
- Mechanical Load Testing

The ideal candidate will have A.A.S. in Nondestructive testing, be self motivated, able to work independently and with others. Excellent benefits and working conditions. Call us at 1-800-605-1180 for more details, or fax, mail, or e-mail us your resume.
